Vehicle Description

you are bidding on a very wild and fun to drive street car!this puts new meaning in "the fast and furious".this customized hot rod is a 1987 mitubishi starion with the factory flaired fenders,hood

scoop and rear wing.this car has had a proffessionally installed 1989 mustang 5.0 roller motor rebuilt with only 1500 miles on it.the 302 fuel injected roller motor has also been upgraded with a f-303 cam and mass air. heres the cool part!lots of extra horsepower,it also has a paxton novi supercharger 6-7 psi boost and a compucar 90hp nitrous kit.this car runs strong and hard and sounds wicked.5.0 also has headers and upgraded valve covers.the transmission is also a mustang t-5 with a new clutch as well.the rear axle is the factory turbo car independent rear with 3.45 limited slip and four wheel disc brakes.the brakes have been redone as well as new struts.this hot rod also has new 2.5 alumanized exhaust with flowmasters and exhaust turn outs tastefully done in front of the rear tires.all of the work done on this car was done in a manner that looks clean and factory.this is a great cruise in car and gets tons of attention everywhere it goes!this car has the original black leather interior which is in pretty good shape.the wheels are new enkei polished outers with gold mesh centers and are 16x7 front and 16x8 rear.tires are recent low profiles.the paint on this car is also very nice.it was refinished in sherwin williams base clear black and has custom gold mini-flake ghost stripes that jump out in the right light.the paint is very "deep" and you can see yourself in it when you are standing by the car.this is a very dependable and fast hot rod that can be driven anywhere.a great conversation piece and unique.car can be viewed by appointment only.no joy rides or tire kickers.

Vehicle Condition

see above for detailed description.this is a customized hot rod that runs very good,is dependable yet fast and has modern drivetrain.all work was proffesional and looks "factory".no dissappointments
